APRIL JAMES

EDUCATION

B.S. in Computer Science

2017-2022

Oregon State University

Pursuing a degree in Computer Science, and a Minor in Studio Arts and Design.

WORK EXPERIENCE

Software Engineer Intern

Apr 2020-Sept 2020

Intel Corporation, Hillsboro, OR

Improved Python and SKILL scripts to automate PCB symbol creation, and developed a web application used to streamline data analysis of WiFi and Bluetooth chip manufacturing data. Application was written in C# and JavaScript/JQuery using the ASP.NET framework.

Graphic Designer

Aug 2019-May 2020

Asian & Pacific Cultural Center, Corvallis, OR

Designed promotional graphics for initiatives hosted by the Cultural Center and related student organizations. Designs focused on diversity, cultural engagement, inclusivity, and Asian heritage. Assisted in daily operations of the center, tours, and student organization events.

Teaching Assistant

Jan 2019-Jun 2019

Oregon State University, Corvallis, OR

Instructed weekly recitations covering the fundamentals of DC circuit components and analysis. Responsibilities included facilitating labs and holding office hours. Improved problem solving, leadership, and communication skills.

INVOLVEMENT

ATEN (Adaptive Technology Engineering Network)

Jun 2020-Present

Collaboratively prepared lesson materials for LEAFS 2021 event, designed to teach STEM topics to students with disabilities.

Graphic Design Club- Production Officer

Sept 2020-Present

Helped organize guest speakers and events to maintain student engagement at club meetings.
