APRIL JAMES

EDUCATION

B.S. in Computer Science   **2017-2022**

Oregon State University

> Pursuing a degree in Computer Science, with special interest in web development, UI/UX, and computer graphics. Minoring in Studio Arts and Design.

WORK EXPERIENCE

Teaching Assistant   **Jan 2019-Jun 2019**

Oregon State University, Corvallis, OR

> Instructed weekly recitations covering the fundamentals of DC circuit components and analysis. Responsibilities included facilitating labs and holding office hours. Improved problem solving, leadership, and communication skills.

Software Engineer Intern   **Apr 2020-Sept 2020**

Intel Corporation, Hillsboro, OR

> Improved Python and SKILL scripts to automate PCB symbol creation, and developed a web application used to streamline data analysis of WiFi and Bluetooth chip manufacturing data. Application was written in C and JavaScript/JQuery using the ASP.NET framework.

Graphic Designer   **Aug 2019-May 2020**

Asian & Pacific Cultural Center, Corvallis, OR

> Designed promotional graphics for initiatives hosted by the Cultural Center and related student organizations. Designs focused on diversity, cultural engagement, inclusivity, and Asian heritage. Assisted in daily operations of the center, tours, and student organization events.
